The History
of

A Gift From Heaven ©

“A Gift From Heaven” was written by our daughter, Kristan, after the passing of a family member shortly after her birth. Kristan was inspired by the beautiful service, and the love and Faith of her Cousin and began writing down her thoughts, and with the help of her family wrote:

“A Gift From Heaven”

The words have brought us a sense of love and peace.
We hope you, too, will feel this peace. For God has
taken your loved one's hand,
They are Complete.
They are Love.
