

The Kid's Prayer ©

Is the perfect gift for a child's Christening, First Communion, Birthday or on Christmas Day itself. The prayer will confirm their faith, love and reliance in Jesus helping them and those they love everyday. Giving them a new tradition of hanging their prayer on the tree during the Christmas Season.

The Kid's Prayer

I am a kid
And I want to pray
So help me God
With what to say

I love my mommy and my dad
And when I'm wrong
It makes me sad

I always try to be real good
And do the things I think I should

But when I'm silly or I'm mad
Or make mistakes
Or do something bad

It's then I need you
By my side
With a helping hand
To be my guide

So help me, Jesus
and my family, too
to show our love
and faith in you

Amen

The History of "The Kid's Prayer" ©

With teenagers in the house and babies arriving my husband wrote:

"The Kid's Prayer"

Now we have designed an ornament based on the original framed poem that depicts the different stages in the life of a child through to graduation.

This is a special prayer to be shared with a cherished child. A prayer they will understand and remember forever.

Giving them the beautiful ornament will be the beginning of a new Christmas tradition celebrating the most important last verse of

"The Kid's Prayer"
